Microsoft® Remote Keyboard for Windows® XP Media Center Edition

Command your Media Center PC from the comfort of your sofa

Experience movies, music, and more with the Microsoft® Remote Keyboard for Windows® XP Media Center Edition. This 3-in-1 keyboard, mouse, and remote gives you complete wireless control of your Media Center PC from up to 30 feet away — without multiple devices to clutter up your living space. Launch digital media and play movies in the dark. Surf the Web, right from the comfort of your sofa.

Sleek Profile Compact design made for easy use on your lap.

Sleek, All-in-One Design

Enjoy clutter-free living with this 3-in-1 keyboard, integrated mouse, and remote.

30-Foot Infrared Wireless Range

Control your Media Center PC effortlessly from up to 30 feet across your living room. This uses the receiver that came with your PC.

Key Lock

Stow it away when you're done — the Key Lock keeps your keyboard from being turned on by mistake by pets or children.

Spill-Resistant Design

Integrated water channels drain liquid away from main keys.*

Television Control

The convenience of TV power and volume control built in.

Easy to Navigate

You're in command with cursor control and Click/Right-Click Keys.

Backlit Media Keys

No more triple-tapping to enter text or fumbling with the remote to play movies. The Backlit Media Keys on the keyboard and remote make it easy to control your Media Center PC — even in the dark.

Green Start Button

One button quickly launches Media Center PC functions.

* Excludes media keys, remote keys, and hot keys.

System Requirements

Works With: a Media Center PC that runs Microsoft® Windows® XP Media Center Edition 2005 or later and has a Windows Media Center Receiver.

Does Not Work With: a Media Center Extender for Xbox® or with a Media Center Extender set-top box.

4 AA alkaline batteries required (included)

Energizer Batteries recommended
